Annual Membership Financial Commitment 2010-2011

Annual financial commitments are the Congregation's main source of revenue to fund our programs, adult and youth education, social action projects, ritual services and festival celebrations, in addition to paying rent and staff salaries. Please refer to the commitment schedule on the other side when calculating your level. Each family's annual financial support is one important element of a larger commitment to our community, which also includes time and effort spent on committees, other volunteer work, and of course participation in our worship services, educational programs, and other community events. As we continue to offer each of these elements of our community, we invite you to expand your involvement in as many of these realms as possible.

If you would like to be considered for financial assistance, please complete a Financial Aid Form and send it into the office by August 13, 2010 Contact Shari, our Office Manager to request a copy of the form at 415.242.9992 or email <admin@orshalom.org>.
